Town Council Appoints Committees For The Year

Newly elected Councillors, E. Pieper and W. Reist, took the oath of office at the statutory meeting of the Council of the Town of Didsbury on Monday evening, March 10.

Mr. E. Peiper was present at the meeting and congratulated the Provincial Government was willing to pay 75 per cent of the cost of grading and hard-surfacing the road from the highway into Didsbury if the municipality and town would pay the other 25 per cent. Mr. Peiper advised the town would agree to bear its share of the cost if the road was completed, and Council was favorable to the plan.

Two applications were received for building lots, one from H. Reist and the other from J. Zuk. Committees for the year were named as follows:

Fire Department: H. Lynch-Staunton and Councillor C.E. Reiter. Public Works: Councillors E. Klinck and E. Pieper.

Fire and Police: Councillors P. Andrews and E. Pieper.

Property: Councillors C.E. Reiter and S.J. Gilson.

Sanitation: Councillor E. Pieper and W. Reist.

Waterworks: Councillors W. Reist and P. Andrews.

Civil Defense: Councillors S.J. Gilson and W. Reist.

Building Inspectors: Councillor E. Pieper and Constable W. Dobbin.

Library: Mrs. H. Lynch-Staunton.

Mrs. Leavens, Miss Louise Staunton and Councillor W. Reist.

Hospital Board: Councillor Gilson.

Plumbing Inspector: T. Stickney.

Attutor: A. Brusso.

Assessor: E.B. Nowers.

Deputy Mayors were appointed as follows:

First three months, Councillor E. Pieper.

Second three months, Councillor W. Reist.

Third three months, Councillor C. E. Reiter.

Fourth three months, Councillor S.J. Gilson.

Regular meetings of Council were set for the first and third Mondays of each month.

The 1951 assessment was adopted for 1952 tax purposes, plus improvement.

Council decided to employ a night watchman in town between the hours of 3 a.m. and 6 a.m.

The zoning by-law will be discussed at the next meeting.

A communication advised that a couple of waterworks would be held in Edmonton from April 14 to 19 and the Town will send a representative.

DIDSURY BAPTIST BIRTHS

Born at the Didsbury hospital to Mr. and Mrs. B. K. Kiernan of Crossfield on Monday, March 17, a girl.

To Mr. and Mrs. R. W. Shantz on Tuesday, March 18, a boy.

Ladies' Curling Notes

Mrs. Daisy McCoy entered a rink in the recent Cremona bonspiel, winning first in the second event, and second in the third. She was one of the games. Curling with Daisy were Rose Morris, Nellie Roberts and Mary Stevens.

The ladies' rink from Didsbury entered in the Bowden bonspiel comprised Edna Wood, Nellie Roberts, Bert Campbell and Bobby Kelly, and won third prize in the second event.

Two rinks were entered in the Sundre bonspiel: Mrs. Daisy McCoy, Freda Klein, Grace Banta and Lois Shells, who won first in the second event; and Rose Morris, Edna Wood, Florrie Franklin and Pat Jen, who won third in the first event.

The Didsbury rink representing this district in the T. Eaton play-downs at Calgary consisted of Marvel McCoy, Margaret Clayton, Gladys Morris and Bert Campbell.

The Didsbury ladies entertained two rinks from Carstairs and one from Midway in friendly curling games at the local rink Saturday evening.

The Didsbury Ladies' Curling Club catered to the recent Farmers' Bonspiel and report the undertaking a financial success.

IS SPRING HERE?

The days are getting longer and there is lots of snow. This time of year, but gophers have been reported on two occasions. Last Friday Mr. and Mrs. Garnet Tighe saw a gopher in the flat below the hospital while coming into town, and on Saturday Ira Stauffer saw three gophers out on the snow in a field, and another on the road.

Reports came in some time ago that crows were seen in the district.

Lone Pine Institute Has Auction Sale

The Lone Pine W.I. met at the home of Mrs. Sam Elliott for the March meeting with ten members and two visitors in attendance.

The meeting opened in the usual manner with the singing of an Irish song and an Irish joke for roll call.

Correspondence was read and the sum of \$15 was voted to buy dressing gowns to be donated to the Didsbury hospital. Some of the ladies wore lace slippers.

Mrs. F. Ahlgren was elected delegate to attend the convention at Olds in April.

Final arrangements were made for the dance on March 21, and ladies with raffle tickets are requested to turn them in before that date.

An auction sale was held and netted \$6.70.

The 10c draw was won by Mrs. Walter McCulloch and proceeds amounted to \$1.80.

Save the Queen was sung to close the meeting and a lovely pot luck lunch was served by the hostess.

BAND TO RE-ORGANIZE

The Didsbury-Carstairs Band will be re-organized this year and any one who plays an instrument, has played an instrument, or is interested in the formation of a band is asked to contact Mr. Reiter at his office before the end of March.

All equipment belonging to the band is being called in. This includes various instruments and music, which should be left with Mr. Olsen at the McCulloch Block before the end of March.

Preparations Complete For Blood Donor Clinic

Plans have now been completed for the Didsbury Blood Donor Clinic to be held in the basement of the Evangelical Church on Tuesday, April 1, from 1:30 to 4:30 p.m.

The same general plan of procedure will be followed with a few improvements, and it is hoped that the number of donors will equal if not exceed that of the last clinic held on March 22, 1951, when 201 local and district people gave their blood for a worthy life-saving cause.

Mr. Art Reiter, chairman of the local United Cross Blood Transfusion Service, is enrolling new donors and anyone who can possibly donate some of their blood to the cause should contact Mr. Reiter.

All those who have previously enrolled as blood donors need not make new application.

The Red Cross Blood Transfusion Service is not only concerned with the welfare of the local hospital patients in need, but is additionally building up a stockpile of plasma for military requirements, particularly in Korea. This extra drain on the Service will require more donors if the same number of clinics are to be held throughout the Province.

Permission was given to Mrs. Fox to buy paint for decorating the parsonage.

A boys' club was discussed and Tom Fox was appointed to get information on an organization for this kind.

Mrs. Alma Befus volunteered for the sick committee for March.

The meeting adjourned with the Lord's Prayer and lunch followed.

March Meeting Of The Redeemer Ladies Aid

"When is a person truly wise?" was the topic discussed at the Redeemer Ladies Aid meeting held on Thursday, March 13. Rev. Fox based the discussion on the parables of the Ten Virgins and the Builder, building a house on rock, and a very interesting discussion followed.

Due to the absence of the president, Mrs. Annie Krebs took the chair.

Twelve members answered the roll call, and the minutes of the last meeting were read and adopted.

Mrs. E. Pieper was appointed to arrange for some extra singing on Easter Sunday.

Permission was given to Mrs. Fox to buy paint for decorating the parsonage.

A boys' club was discussed and Tom Fox was appointed to get information on an organization for this kind.

Mrs. Alma Befus volunteered for the sick committee for March.

The meeting adjourned with the Lord's Prayer and lunch followed.

ONCE AGAIN Canadian youth marched down Montreal streets on their way to uncertain duty overseas. Airmen of No. 441, Silver Fox Squadron were enroute to Europe. Captain G. C. C. W. Somerville, commanding officer, commanding, Air Defence Command, on their way to join other Canadian fliers in Europe. Led by Sqn-Ldr. A. R. MacKenzie, DFC, of Montreal, they move past a saluting base. Reviewing them are, left to right, Mayor Camille Houde; Air Vice Marshal James; George J. McIlraith, M.P., parliamentary assistant to the Minister of National Defence; Lt. Col. C. H. Link, Air Force Station; and, in the rear, C. H. Link, Air Force Veterans' Association, and Pit-Lite C. Allison, executive assistant to the A.D.C.

MISCELLANEOUS SHOWER FOR MILITA QUAST

A miscellaneous shower was held at the home of Mrs. Joe Dick on Friday, March 7, in honor of Miss Milita Quast, a bride-elect of this month.

After an hour of entertainment, Beverley Blain and Lorna Treachob prepared the bride with a gaily decorated basket filled with gifts from the ladies present.

After unwrapping her presents the bride thanked the ladies, and a delicious lunch was served by the hostess.

Mrs. Shells Entertains Lone Pine Orioles

The March meeting of the Lone Pine Orioles was held at the home of Mrs. H. Shells and "My Wild Irish Rose" was sung to open the afternoon.

After a call was a book report on "a book you have read," and nine members and one visitor were present.

It was decided to give each member attending more than half the meetings during the year a W.I.G.C. cravat.

Mary Page gave an interesting reading on a summary of her favorite book "Five Little Peppers Abroad."

The ten-cent draw, which netted \$1.10, was won by Mary Spragg.

The "bit of fun" was won by Sandra Brander for the Juniors, and by Mary Page for the Seniors.

The Senior members showed up many hats made, and the Juniors finished embroidering their tea towels.

The April meeting will be held at the home of the Spragg girls.

A lovely lunch was served by the hostess.

Knox W.M.S. Holds Meeting At Manse

Plans have now been completed for the Didsbury Blood Donor Clinic to be held in the basement of the Evangelical Church on Tuesday, April 1, from 1:30 to 4:30 p.m.

The same general plan of procedure will be followed with a few improvements, and it is hoped that the number of donors will equal if not exceed that of the last clinic held on March 22, 1951, when 201 local and district people gave their blood for a worthy life-saving cause.

All those who have previously enrolled as blood donors need not make new application.

The Red Cross Blood Transfusion Service is not only concerned with the welfare of the local hospital patients in need, but is additionally building up a stockpile of plasma for military requirements, particularly in Korea. This extra drain on the Service will require more donors if the same number of clinics are to be held throughout the Province.

Mrs. K. Phillips read the devotional and Mrs. W. Neave gave the chapter in the study book.

At the close of the meeting lunch was served.

The next meeting is the Easter Thanksgiving and will be held at the home of Mrs. W. H. Van Wyk.

Permission was given to Mrs. Fox to buy paint for the clinic on April 1.

Save the Queen was sung to close the meeting.

Mr. and Mrs. H. Shells were present.

MOUNTAIN VIEW

The films shown at the Mountain
View Hall Friday evening were ap-
proved and there was a good at-
tendance. The Institute would like
to thank the people of the district
for the funds raised by a silver col-
lection for the Red Cross Crippled
Children's Hospital. This amount is
to be given to the hospital in the form
of a wheel chair from the Didsbury
district. There were a few musical
numbers on the program and Miss
Willison gave three readings which
were enjoyed. The ladies served lunch
at the close of the entertain-
ment.

Best wishes from the district are
extended to Mr. and Mrs. Ronald
Stanton (Hilda Clarke) who
recently took place on March 14.

Mrs. Frank Bray of Hanna was
visiting the first part of last week
with her sister, Mrs. Linda Pratt,
and family, as well as with other
relatives in the district.

Mr. and Mrs. Jack Underhay and
Joyce were supper guests Tuesday
evening with Mr. and Mrs. David
Pratt.

Sunday guests of Mr. and Mrs.
Sam Elliott and family were Mr.
and Mrs. George Clarke and Carol
and Mr. Peter Krywko of Edmon-
ton.

Mr. and Mrs. Sid Morasch and
boys of Calgary visited with Mr.
and Mrs. Alfred Morasch and Carol
on Sunday, and while going over
to visit with Mr. and Mrs. Adam
Morasch they saw a gopher. Spring
must be around the corner—we
hope.

A group of the Grand Centre
people motored to Didsbury Sunday
and curled on the three sheets of
ice in the curling rink. The host
and hostess for the afternoon were
Mr. and Mrs. Jim McRae. The
ladies brought lots of hot coffee and
coffee and the people of the district
are indeed grateful for the hospital-
ity shown.

Mr. and Mrs. Stewart Tighe were
visitors on Sunday with Mr. and
Mrs. Alfie McRae.

Mr. and Mrs. Grenville McCaig
and girls visited Sunday with Mr.
and Mrs. Don McMow and family
at Mayton.

Mr. and Mrs. Lawrence Hunter
visited Sunday with Mr. and Mrs.
Harold Swanson and family.

ENGAGEMENT ANNOUNCEMENT

Mr. and Mrs. H. J. Richardson of
Didsbury announce the engagement
of Mr. and Mrs. Peter Rutherford, Alwyn
Ellen, to Mr. David Rowntree, eldest
son of Mr. and Mrs. John Rown-
tree of Carstairs.

The marriage will take place on
April 4th, at home.

IN APPRECIATION

We wish to thank all friends and
neighbors for the many gifts and
cards. Also the Elks, Willing
Workers and the Family for the
lovely flowers and all who helped
to make the celebration of our 50th
wedding anniversary a memorable
day.

A HARD-SURFACED ROAD INTO DIDSBURY

The re-grading and hard-surfacing of the road from No. 2 highway at the service station, past the hospital to the railway tracks, has again come up for discussion by Town and Municipal councils, and the Didsbury and District Board of Trade is making the road one of its main projects at this time.

A few years ago citizens of the Town of Didsbury had three projects in mind: a waterworks system, a natural gas supply, and hard surfacing of the highway into town, with eventual hard-surfacing of the main streets. One of these projects has been completed and another is on the way to becoming a reality. We have accomplished something, but there is more to do. There is still the hard-surfacing of the road into Didsbury, and whether it is done this year, or in the years to come, it should remain a standing project until completed. True, there are problems to overcome before asphalt can be laid, but nothing is impossible in this day and age.

Didsbury is becoming the main trading centre of a large district and only by co-operation of local business men and advancement in local improvements can the district expand with the times.

Now that the municipalities are being granted a share of gasoline and fuel oil tax there is revenue from every dollar spent on travel in this area. A good road into town will increase travel, help business and provide extra revenue to pay for its construction.

PRIVATE LIVES

The ladies, who watch prices more carefully than their husbands, are probably aware that in recent months there was a check in the rising cost of men's suits. Any of the ladies who looked into the matter likely found that part of the reason they could get good clothes at reasonable prices was in the expanded use of rayon either alone or blended with the natural fibres, wool and cotton.

Behind rayon stands the Canadian forests, for this textile material is made from wood fibre. It has been so successful that textile men predict that most men's suits made and sold in Canada in the future will contain at least some rayon.

The ladies, realizing that our forests are going to

THE DIDSBURY PIONEER, DIDSBURY, ALBERTA

be quite important to their future budgets, may be expected to take an active interest in how our forest resources are employed and administered. It will be a good thing, since the men have not done the best possible job.

GROW ALL WE CAN — THE WORLD NEEDS IT

Hundreds of millions of people are starving or on the verge of starvation.

Hundreds of millions of other people are getting less food than they need to nourish healthy bodies and minds.

Hundreds of millions of other people want more and better food than they are getting.

These three groups of people total almost two thousand million. They are all in this one world, in which Canada must produce and exchange as much as the health of our people permits if Canada is to survive as a free nation playing its part in promoting world well-being.

No Canadian is exempt from the duty of doing all that he or she can do within the limits of health to provide the needs of humanity.

In this dire extremity the Canadian Federation of Agriculture, encouraged by the Minister of Agriculture, is wondering whether Canadian farmers should engage in maximum production until the world-food-market mirage they are following becomes an oasis for them in the desert of economic destruction.

The hungry people of the world will pay every cent they can for food. They will deprive themselves of everything else that they can live without to get enough to eat for every day.

The free world market for food would bring Canadian farmers the last pittance in price that the world can pay for our production. A controlled world food market is an utter impossibility this side of the world government that would determine what everyone ought to have and what every man, woman and child would have to do to get it.

The alternative to maximum production and exchange are horrifying. They involve a totalitarian Canadian economy in which the work, production and standard of living of every Canadian must be dictated by an all-wise bureaucracy.

The one world we are in, as it is, not as we might like it to be, is the world in which we must live, work and exchange our goods and services.

Our most urgent need is to cut our costs by more production per person per day and by better methods, and to reduce our prices accordingly. There is plenty of room in this direction to accomplish enough to keep our agriculture and industry thriving and play our part in averting disaster. —The Rural Scene

Reciprocal Agreement
For Hospital Service

An agreement has been made between the Didsbury and Olds Municipal Hospitals and approved by the Department of Health, whereby ratepayers and contract holders residing in certain areas may use either hospital at ratepayers rates.

The agreement covers an area two miles north and south of the borderline between the Districts, from range 27 west of 4th meridian to range 3 west of the 5th meridian. Also an area adjoining the borderline and extending three miles north in range 5 west of the 5th meridian.

Ratepayers residing in these areas will receive the dollar-a-day rate in either Didsbury or Olds Municipal Hospitals.

If in doubt as to whether you are included in this area, submit your land description to your Hospital Secretary and he will be glad to advise you.

Olds Municipal Hospital Board

REPORT AT ONCE

Any owner of cattle who may suspect foot and mouth disease in his herd must report to the authorities immediately. The report should be made to the nearest Health of Animals Division Inspector, local veterinarian, Veterinarian Services Branch of the Alberta Department of Agriculture, Edmonton, or to the nearest district agriculturalist. Under no circumstances should a neighbor call his neighbors over to see a suspected case, warns Dr. Ballantyne, director of Veterinary Services. Nor should he bring in his car a head, tongue or other part of the suspected animal to the Provincial Veterinary Laboratory.

All inspection must be made on the owner's farm. No part of a suspected animal must be removed from the farm except under special authority. It must be remembered that foot and mouth disease will not appear in one or two animals, and not just one or two, says Dr. Ballantyne. Due to rigid controls, no meat from infected animals ever reaches the retail outlet. Even if it did, the acidity of the meat would destroy the virus before being sold in the store, and meat cooking would provide double assurance that no live virus was present.

The disease is rare in humans and not serious, says Dr. Ballantyne, even in countries where foot and mouth disease is prevalent.

ANEMIA IN PIGS

Anemia in pigs results from a deficiency in iron and can be prevented in pigs farmed in the late fall, winter and early spring. Dr. G.S. Wilton, veterinary pathologist, Alberta Department of Agriculture, says anemia can be prevented by administering reduced iron by mouth on the third, tenth and seventeenth days of life. The iron is half a millilitre and will largely cover a dime. A few drops of concentrated cod liver oil at the same time is beneficial, and makes the iron easier to administer.

Another method is to provide pigs with fresh, clean water. The water should be sprinkled with a solution consisting of one ounce of iron sulphate dissolved in a quart of water.

PATRIOTIC ELECTRIC 'BRAIN'

Manchester University's electric
brain—claimed to be the world's
most powerful—has been taught to
sing God Save the Queen.

The tune comes through a loud-
speaker, but it is not a recording.
The brain is given a code interpretation
of the score, which is interpreted,
and then converted into waveform
sounds.

The machine can also diagnose
trouble inside itself and report ex-
actly where it has gone wrong.

"Doodlesack" is a colloquial
name for bagpipes.

FALLEN TIMBER

(Last Week)
Congratulations to Mr. and Mrs.
Raymond McMullen on the birth of
a son in the Didsbury Municipal
hospital last Thursday.

Last Friday evening it was learned that Mr.
and Mrs. Bob McGaffin were visitors
at the home of Mr. and Mrs. Joe
McGaffin. It should have read Mr.
and Mrs. Moore and children were
guests at the home of Mr. and Mrs.
Joe McGaffin.

A dance was held at the school on
Friday night, \$18.25 was netted
and the money was turned over to the
Junior Red Cross Hospital in Cal-
gary. Many thanks to our local busi-
nesses and the musicians for the
delightful evening.

Guests at the home of Mr. and
Mrs. John Howton for Sunday dinner
were Mr. and Mrs. Robert Moore
and children, Mr. and Mrs. C. B.
More, Mr. and Mrs. Moore, and Flying
Officer and Mrs. H. Clark and children,
all of Calgary.

We are sorry to hear that our tea-
cher had the misfortune to get her
ankle broken when their car was
in a collision with a truck. We wish
you a speedy recovery Mrs. Cooper.

Mr. Glenn Cooper and Mr. Jim
Cooper were visitors in Big Prairie
and Cremona last Wednesday evening.

Mr. and Mrs. J. Howton and
children were visitors at the home
of Mr. and Mrs. Cooper last Wed-
nesday evening.

Mr. H. Morrison was a caller at
the home of Mr. and Mrs. J. H. Cooper
on Wednesday.

Mr. and Mrs. Cooper were Olds
visitors recently where they visited
Mr. Cooper's sister, Mrs. C. Bird,
who is a patient in the Olds hospital.

We understand that the road that is
used by the Highland School but
is to be gravelled immediately.

The regular meeting of the Busy
Bees was held at the home of Mrs.
J. Howton with eleven members and
one visitor in attendance. It was
decided that the proceeds from the dance
were to be sent to the Junior Red
Cross Hospital in Calgary. Some
pieces of print were distributed to
be made into aprons for the annual
bazaar. After the business meeting
which was brought to a close by
everyone joining in the singing of
God Save the Queen, a wonderful
lunch was served by Mrs. B. Teynor
and Mrs. B. Monsey. A draw was
held with Mrs. Ray Teynor the
lucky winner. Mrs. Bill Dick and
Mrs. L. Wannamaker are holding a
similar evening at the school on
March 21. Everyone is welcome to
attend.

A misprint in the news recently
stated that Mrs. Joe McGaffin serv-
ed lunch at the February meeting
of the Busy Bees. It should have
read that lunch was served by
Mrs. Joe McGaffin and Mrs. Dean
Stair.

We are sorry to hear that Lloyd
Davis returned to his home last
week, ill with a suspected case of
mumps. A speedy recovery Lloyd.

Visitors at the home of Mr. and
Mrs. Bob Moore of Bergen last Tues-
day evening were Mr. and Mrs. J.
Howton and children.

We are sorry to hear that the Ray
Teynor children are sick with the
chicken pox.

ALBERTA CATTLE POLYPOSION
The number of cattle and
calves in Alberta at December 1,
1951, was estimated at 1,346,000 as
compared to 1,289,000 head on the
same date in 1950. The estimates
were released by the Agriculture
Division of the Dominion Bureau of
Statistics.

An analysis of district estimates
by R. E. English, Statistician, Alberta
Department of Agriculture, shows
that although cattle populations
made gains in all areas of the
province the greatest gains
were made in the Medicine Hat,
Brooks, and Lethbridge districts and
in the area from Edmonton east.

The trend toward expansion in
beef production is continuing while
interest in dairying is declining,
said Mr. English. The following
figures show the change in the
number of each class of cattle and
calves in Alberta: Cows, up 1,900;
heifers kept mainly for milk,
down 4,000; heifers being raised
for milk, down 6500; cows kept
mainly for beef, up 15,700; heifers
being raised for beef, up 10,200;
steers one year and up, up 3,900;
calves under one year, up 35,800.

DON'T BURN STUBBLE

Farmers who burn their stubble
waste nitrogen to the value of \$283
for 100 acres. The practice also
leaves the land susceptible to ero-
sion.

G.R. Sterling of the Alberta
Department of Agriculture, says that
an average crop produces 1,500
pounds of straw to the acre, and
this straw contains 9.15 pounds of
nitrogen. Another 15 pounds of nitro-
gen can be produced if the straw
is left on the field to deteriorate
to work on. At 11.4 cents a pound,
24.15 pounds of nitrogen is worth
\$2.83 — \$283 for 100 acres.

Straw also provides a trash cover
which prevents soil from drifting
and water erosion. It shelters the
soil from the pounding effect of
rain, and prevents puddling and
sealing of the soil's surface.

WEDDINGS

FRASER—BURKE

St. Stephen's Catholic Church in
Olds was the scene of a pretty wed-
ding Wednesday, February 20 at
10 a.m. when Frances Joyce, young-
est daughter of Mr. and Mrs. Guy
Fraser and Mr. and Mrs. Johnny
Fraser of Olds were joined in
marriage in a double-ring ceremony.
The service was conducted by Rev.
Father Forsythe.

Given in marriage by her father,
the bride wore a white satin gown,
embroidered down the back with satin
covered buttons. A lace cap held
her veil in place and she carried a
bouquet of red roses. The bride
maid, Jean Burke, wore a full
skirted mauve nylon gown with
matching headress and carried a
bouquet of pink carnations.

Attending the bridegroom was
Stephen Burke, brother of the bride,
and ushers were Bobbie Burke and
Billie Burke. The wedding music was
played by Emily Dupont at the organ
and the soloist was Patricia McDowell.

The reception was held at the
home of Mr. and Mrs. H. W. Howton
of Didsbury. The living room was dec-
orated with pink and white streamers.
Fifty guests were present at the
reception, and Father Forsythe pro-
posed the toast to the bride.

Out-of-town guests included Mrs.
Winnie Bell, Edmonton; Mr. and Mrs.
Beattie, Miss Beattie and Mr.
Beattie Jr. of Okotoks.

Mr. and Mrs. Fraser spent a
short honeymoon in Calgary and are
now living in Miller Apartments in
Olds.

HE LEARNED THE HARD WAY

Last summer, somewhere in Alberta,
a cat went out to the municipal
field supervisor to come at
the field of greenfeed was badly
infested with Tartery buckwheat.
How it got there was no mystery.
The owner had bought seed in
the spring.

He had heard about good seed for
better crops, so for the crops he in-
tended to thresh he bought seed
that was good and of good quality.
But greenfeed, he thought, that's
something else again. I don't have
to worry too much about weeds in
greenfeed.

His worries came later. The green-
feed grew, and so did the Tartery
buckwheat. A small saving in the
cost of seed was more than offset
by expense for years to come. This
is not an isolated case. Change the
words Tartery buckwheat to wild
oats, mustard, stinkweed, or any
other weed you know of—well we
hope it doesn't apply to you.

FEWER CARS FOR CANADIANS

Approximately 267,000 passenger
cars were sold to Canadian motorists
in 1951, according to an esti-
mate based on Dominion Bureau
of Statistics reports. This was 40,000
less than in 1950. Motor car dealers
blame high taxes for the drop
in sales.

Farmers . . .

In one of our popular farm papers a very serious prediction was made "that out of an approximate 3,000,000 piglets to arrive this spring and summer a probable 576,000 will die due to the lack of proper care and advance preparation for them."

How many of you farmers are going to participate in this loss by possible lack of advance scientific feeding methods? Let us help you to prevent these losses by providing a custom mix sow ration to feed along with your own grain, before your sows farrow. This is a service we can supply in our new feed plant at the south end of town.

When your piglets arrive feed them a feed worthy of its name—SHUR-GAIN PIG STARTER, which is also manufactured at our plant.

WEST NOTES

Quite a number from the Elton district were spectators at the Legion baseball at Cremona recently. Mr. Gordon Belford was on the top team, skipped by Mr. J. Tippe.

The Rugby W.I. held a whist drive at the home of Mrs. O. Krebs on Monday evening with seven tables in play. Honors went to Mr. and Mrs. Alfred Covitz, and congratulations to Mrs. R. McNaughton and Mr. Glen Ray.

Mr. and Mrs. C. Crosby visited with Mr. and Mrs. C. Russell on Monday.

Spring must be just around the corner. The gophers are out sifting the big snow banks, driving the snow off the hills, doubt they are afraid of getting drowned in their holes when all the snow melts.

Mr. and Mrs. W. Cook and family visited with Mr. and Mrs. J. Cook on Sunday.

The Rugby W.I. will hold an anger meeting at the home of Mrs. A.L. Hogg. An error was made in last week's paper, the amount from the two whist drives being \$14.25 instead of \$4.25.

Mr. and Mrs. Glen Ray and family spent Saturday evening with Mr. and Mrs. J. Ray at Westcott.

Mr. and Mrs. G. Johnson, visiting on at the Wollen home in Leduc. Mrs. Wollen has a baby girl.

The Elton Willing Workers met at the home of Mrs. H. Erickson Wednesday of last week. A quilt was tied for the Red Cross and Mrs. Hogg handed out material for sewing and yarn for knitting. A letter was received from Mrs. Hogg concerning the donation of \$5.00 to the Bread for Greece fund. It was decided to hold a social evening in the school Friday evening, March 21, with everything including lunch to be free except Bingo, the proceeds of which will be given to the Red Cross drive. Donations of prizes would be appreciated. Mrs. Byrt thanked the members for the flowers sent to her on her 50th wedding anniversary.

Mr. and Mrs. J. Bagshaw were Calgary visitors Friday and attended the wedding of D. Rinehart on Saturday, returning home Sunday.

The Elton hockey team went to Carslars on Thursday where they beat the Dog Pound and won 6-2. This was the first game of the finals.

Mrs. A. L. Hogg was an overnight visitor in Calgary on Thursday.

Little Donald Befus and Ron Luft are both home again after spending a few days last week in the hospital.

M.V.C. NEWS

The Board of Directors of Mountain View Bible College met last Tuesday and Wednesday for their annual meeting. The College Faculty met with them during many of the sessions, and as they considered together the future of the College, many suggestions were made which will from time to time be announced to the public.

One of the most important items from the standpoint of improvements is that of the re-arrangement of the basement. For years the kitchen has been in the basement, needs of the students and workers there. This will be rectified and the arrangements for cupboards, pantries and equipment will occupy much of the attention of the Trustees during the summer months.

We trust that before the College opens in the fall of this year, necessary will have been accomplished and that facilities to cut down much of the labor will have been realized.

Rev. Donald Taylor, pastor of the West End United Methodist Church, has been elected president of Mountain View Bible College. He will begin his duties on July 1 of this year. Mr. Taylor is not only a graduate of this College, but concluded his work in the Bachelor of Theology degree in Seattle Pacific College, a residential school in Los Angeles. The young man is well able scholastically to assume responsibilities of leadership, for he has ranked as a scholar and has been most successful young people's work. We bespeak for him success in this field also. Mr. Taylor is also a graduate of S.P.C.

Mr. Peter Waldin is the newly elected vice-president of the College for the coming year, and will be acting president during the months of May and June. Other members of the Faculty are Mrs. Lydia Swalm, Mr. Leslie Richardson, Mr. John Wilson, and Miss Gladys Eby who will resume the duties of Dean of Women.

The A Cappella Choir presented its program in the Linden Brethren Church on Sunday evening. A number of their numbers sang solo parts for the occasion. The Linden folk are exceedingly hospitable and showed their appreciation in a tangible form, namely a delicious lunch served to the choir and visitors in their basement rooms after the program. Their expressions of

WESTCOTT

Mr. Chas. Topping is now employed in the garage at Cremona, while his wife handles the store business at Westcott.

The annual meeting of the Westcott Community Club will be held this Tuesday evening at the Westcott school.

Congratulations to Mr. and Mrs. Don and Helen Moore who were married last Saturday in Calgary.

Best wishes are extended to Mrs. John Schneidmiller who expects to go to a Calgary hospital for further surgery as soon as a bed is available.

Raymond Vipond and Leslie Krebs are now engaged after a siege of the mumps.

It is estimated that there is two feet of snow on the level in this area and with the prediction that more is coming many of us are wondering if spring will ever come this year. On Saturday it will be interesting to see what the snowfall has been. It has been almost continuous every week since. In it any winter we are all fed up with the stuff.

Mr. and Mrs. Harry Levagood were Calgary visitors on Monday.

George Klinck has been convalescing from measles, but is reported to be back at school again.

Little Elizabeth Ford has been holidaying at the home of her grandparents, Mr. and Mrs. Jack Robertson.

There have been reports that goats were seen last weekend. We imagine it's pretty tough for them to salvage food with all the snow around.

FALLEN TIMBER

(This Week)

Mr. and Mrs. J. H. Cooper spent a few days in Calgary last week visiting at the home of Mr. and Mrs. C. B. Moore.

Mr. W. Fyten spent the early part of the week snow plowing roads near Boggy Lake.

Graveling operations on the road have been in full swing all week.

A shower for Mr. Billie Dick and his fiancee, Miss Millie Quast of Calgary, was held in the school last Friday and the guests of honor were the recipients of many nice gifts.

We are glad to hear that the little Griffith girl, who spent a time in the Didsbury hospital with a bad ear, is once again at home.

Mr. Elmer Davis, who is attending school in Red Deer, spent the weekend with his parents, Mr. and Mrs. Clinton and Thomas Davis.

Last Friday night at choir and orchestra practice in Didsbury, Mr. Bob McGaffin was presented with a gift in honor of his birthday. The guest of honor was greatly surprised but very pleased with the number of records the gang had given him.

Mrs. W. H. McGaffin and Mrs. Bob McGaffin visited Mrs. C. Bird, the former's daughter, who is a patient in the Olds hospital.

Mr. and Mrs. Joe McGaffin, Gordon and Andrew, were Didsbury visitors last Saturday.

Mr. Pat McGaffin spent the weekend at the home of his parents.

appreciation for the splendid program was sincerely appreciated.

The College Choir students entertained the Canadian Nazarene Choir on Friday evening after the general program in the Mount Zion Church here. Mr. Taylor, choir director for that College, is to be congratulated on the splendid numbers he presented to a large audience. The students of each College mingled freely during the evening and enjoyed together a delicious luncheon in the College dining hall. Mr. Richardson acted in the capacity of host on this occasion.

Mrs. Lydia Suder and Mr. Peter Waldin of this Faculty were speakers at the Yester Evening Convention held at the Bremen Union Missionary Church on Sunday. A large audience was reported, and Mr. and Mrs. Willard Swalm, who are in charge of the work there, are doing an admirable job in building up a large Sunday School as well as a large church.

This coming week end the A Cappella Choir will present its program in Edmonton and Redwater. They will appear at least five times during that time. On their return they will visit Camrose and present their program in the College dining hall. This will be a busy time for these young people, but they are worth hearing, and we are sure they will find this trip worthwhile. Further announcement concerning their spring appearances will be given in a later issue of the Pioneer.

Tom Lemon of Edmonton visited in the district over the weekend and returned home Tuesday.

CARD OF THANKS

The 1st Westcott Group committee takes this opportunity to thank the community for turning out as they did in support of the Scout program held at Rugby recently. We also wish to thank the hall owners for their generosity and co-operation. It is with such interest and support that the Scout movement can hope to carry on as a vital boys' group. The program was a great success and the sum of \$10 was raised to meet the Scout expenses.

COMING EVENTS . . .

The Westcott and Afternoon and Evening Groups of Knox United Church W.A.s will hold a food sale in the church basement on Saturday, March 29, at 2:30 p.m. Proceeds will go towards furnishing for the manse. Everyone welcome.

An ordinary dance, which will include square dance numbers, will be held at Rugby hall on Friday, March 28th.

The Didsbury and District Fish and Game Association is sponsoring a bridge and whist party to be held in the Lions' hall on Wednesday, March 26, at 8 p.m. Everybody welcome.

Don't forget the dance at the Lone Pine Hall on Friday, March 21st, sponsored by the Lone Pine W.A. c.

Sunday midnight preview at the Didsbury Opera Theatre on April 13. "Double Dynamite."

MELVIN NOTES

Mr. and Mrs. Ben Kershaw and Greta were Sunday dinner guests of Mr. and Mrs. Emil Krebs.

Harold Krebs returned Thursday from Ft. St. John, B.C., where he was visiting at the home of his sister, Mrs. V. Wolter, and family. After a week in that mountain paradise this is a good place to live, although as in many other places, the oil drilling outfits are moving in in large numbers.

Walton Youngs of Edmonton is spending a two weeks vacation at the home of his parents, Mr. and Mrs. G. A. Youngs.

Mrs. G. A. Youngs returned home Sunday after spending a ten day holiday at the home of her son, Clary in Saskatoon, and incidentally caring for her first wee grand son, Robert Gordon.

Mr. and Mrs. Emil Krebs and Harold were Calgary visitors on Monday.

Mr. and Mrs. J. L. Ray and Karen of Garfield visited Sunday at the Ross Youngs' home.

Don't forget, the postponed date of the W.A. is this Thursday at Chandlers.

Congratulations to Mr. and Mrs. Roy Shantz on the birth of a son and brother for Donnie.

Mrs. W. Bernard and son of Olds spent a couple of days this week at the home of their parents, Mr. and Mrs. E. Dupont.

WESTERDALE

(Continued from Page 1)

Bolton's paper on Household Economics was very well enjoyed.

The hostess tea money prize was won by Mrs. J. P. Schrader.

The April 9 meeting will be held at the home of Mrs. J. P. Schrader.

Mr. and Mrs. A. Grange and family of Didsbury were Sunday guests at the home of Mr. and Mrs. J. E. Bolton.

A number of young folk enjoyed a pleasant evening of games and contests at the home of Mr. and Mrs. R. Jackson last Tuesday evening. All were invited to participate at Jim Jackson's birthday celebration. A most delicious lunch of sandwiches, ice cream and birthday cake was enjoyed by the following who were present: Patricia Wright, Bill Wright, Evelyn Wright, Doris Johnson, Mrs. Harmattan, Dorothy Smallwood of Melville, Doug Ross of Zelma; and from this district, Marilyn Jackson, Edwin Jackson Jr., Dick Phil, Greta Kershaw, Bob Jackson, Arthur Jackson, Barbara Jackson and Phyllis Jackson.

The cost of a contract is \$8.00.

CALF CLUB MEETING

The fourth meeting of the West Didsbury Calf Club was held at the Jim Hughes farm on March 8. There were 12 members present, four absent, and one visitor.

Members judged one class of coming two-year-old purebred Hereford heifers, and a second class of

yearling purebred Hereford heifers.

Mr. McPhail spoke on "Mouth Disease and distributed leaflets on the subject."

The last meeting will be held at the Jack Robertson farm on April 12 at 2:00 o'clock.

At the close of the meeting Mrs. Hughes served a delicious lunch.
